Feedback cards

Reflective practice plays an important part of our Explorers Provision; we are continuously reflecting on our practice and implementing new ideas to ensure we operate at an outstanding level of care and education. The feedback cards for parents/carers and children within your child's envelope which will be going home with your child. We would be very grateful if you can complete and return these by Friday 25th January 2019.

WOW's

Celebrating children's achievements is very important to us, we would like you to complete your child's WOW and return it back to pre-school as soon as possible so we can share their special news with their friends. Please remember, this can be anything, it is whatever is important to your child.

Existing Injuries

To ensure we all safeguard our children, please do remember to record any existing injuries to a member of staff when dropping off your child. The forms will now be by the door for you to complete.

Key Groups

We will be using the insects names from our logo for our Key Groups.

Blue Key Group will be Butterfly's

Yellow Key Group will be Ladybird's

Orange Key Group will be Bee's

Bad weather

In the event of disruption caused by heavy snow the prime concern of the pre-school must always be the safety of pupils and staff. Some of whom travel a great distance to pre-school each day, we do also work alongside the local schools decision. We will always endeavour to open the pre-school school, but if extreme weather develops during the day, we will need to close the pre-school in which case parents will be contacted via a phone call or our text messaging service and asked to collect their children as soon as possible. We will keep parents/carers informed regarding opening and closures through our facebook page and text messaging service.
