Visit to New Fairholme in Morda

Dear Parents/Carers,

We have been given the opportunity to go and visit the residents at New Fairholme in Morda and take part in a variety of activities together. Research has shown that interaction between these two generations can increase self esteem and promote friendships. The children from our sister sites at Sundorne and Copthorne visit their local residential homes and it has been such a positive experience for the children and the residents! We will be carrying out these visits on a Monday morning every three weeks between January 2019 and July 2019. The children will take it in turns to visit in small groups. The children will be travelling on the Explorers Bus or in Veritys Car.

Please give your permission below if you are happy for your child to take part in this fun outing. Please also indicate whether you would be happy for the staff at Fairholme to take photographs of the children with the residents, to be used in their publications.

Kind regards,

Shelly & Lyndsey
